

Lovely Professional University, Punjab

Course Code	Course Title	Lectures	Tutorials	Practicals	Credits	
PES318	SOFT SKILLS-I	1	2	0	3	
Course Weightage	ATT: 15 CA: 30 ETP: 55					

Course Outcomes :Through this course students should be able to

CO1 :: understand industry needs and develop professional ethics

CO2 :: practice communication skills to enhance interaction ability

CO3 :: understand attitude and its application in career progression

CO4 :: illustrate online branding to amplify presence in the industry

CO5 :: evaluate skills, abilities, and interests to match the industrial expectations

CO6 :: apply idea generation techniques to present relevant content

Detailed Plan For Lectures

Week Number	Lecture Number	Broad Topic(Sub Topic)	Chapters/Sections of Text/reference books	Other Readings, Relevant Websites, Audio Visual Aids, software and Virtual Labs	Lecture Description	Learning Outcomes	Pedagogical Tool Demonstration/ Case Study / Images / animation / ppt etc. Planned	Live Examples

An instruction plan is only a tentative plan. The teacher may make some changes in his/her teaching plan. The students are advised to use syllabus for preparation of all examinations. The students are expected to keep themselves updated on the contemporary issues related to the course. Upto 20% of the questions in any examination/Academic tasks can be asked from such issues even if not explicitly mentioned in the instruction plan.

Week 1	Lecture 1	Imbibing Soft Skills (introduction to soft skills and their significance, the importance of professional attitude, grooming, interpersonal communication, adaptability, time management, teamwork, introduction to the vision board)	R-1 R-2 R-3 R-4	RW-2 RW-3 RW-13	The trainer introduces the curriculum to the students and discusses the importance of soft skills. The trainer also explains it during the placement procedure. The trainer informs the students on grooming essentials and the personality attributes required by the engineer, such as interpersonal, followed by the introduction of a vision board to assist them in realising their future objectives.	Students will be able to define soft skills and differentiate them from hard skills. They will also be able to categorize different types of soft skills relevant to their field. Develop a personalized plan outlining strategies for improving specific soft skills you identify as important for your career path.	L 1 Zero lecture - Discussion on current affairs (10 min), the importance of soft skills and course details (PPT) (15 min) open house discussion on traits an engineer needs (15 mins), the importance of grooming (5 mins), introduction to soft skills, interpersonal communication, adaptability, time management and teamwork, (15mins)	Examples of successful famous personalities (corporate personality, personalities from engineering background)
Week 2	Lecture 2	Know yourself (understand self-evaluation via SWOC to design an action plan and create a SMART goal sheet)	R-1 R-2 R-3 R-4	RW-1 RW-2 RW-3 RW-4	The teacher will delve into the art of self-evaluation, further helping them to assess strengths, weaknesses, and current skill levels. This will involve identifying specific steps, timelines, and resources needed to do a SWOT analysis. The teacher will explain the smart goal sheet, explain its importance, and evaluate it for them. The student learns to craft a personalized SMART goal sheet that outlines your career aspirations and provides a roadmap for achieving them. The trainer will help	Students will gain an understanding of their personality by analyzing their strengths, weaknesses, opportunities, and threats. The students will also express their thoughts, and ideas, and learn self-expression and the ability to articulate thoughts with clarity through social conversation. Knowledge about the goals of students will help them create a roadmap for the future.	L-2 Discussion on current affairs (5, mins), PPT assisted lecture understanding and designing an action plan (20 mins), detailed discussion on SWOT analysis (30 minutes). L-3 Discussion on current affairs (5, mins), PPT-assisted lecture on the importance of self-evaluation (20 mins), detailed discussion on SMART goals (30 minutes).	SWOT- goal-oriented, analysis based on personality,

Week 3	Lecture 3	Know yourself(understand self-evaluation via SWOC to design an action plan and create a SMART goal sheet)	R-1 R-2 R-3 R-4	RW-1 RW-2 RW-3 RW-4	The teacher will delve into the art of self-evaluation, further helping them to assess strengths, weaknesses, and current skill levels. This will involve identifying specific steps, timelines, and resources needed to do a SWOT analysis. The teacher will explain the smart goal sheet, explain its importance, and evaluate it for them. The student learns to craft a personalized SMART goal sheet that outlines your career aspirations and provides a roadmap for achieving them. The trainer will help	Students will gain an understanding of their personality by analyzing their strengths, weaknesses, opportunities, and threats. The students will also express their thoughts, and ideas, and learn self-expression and the ability to articulate thoughts with clarity through social conversation. Knowledge about the goals of students will help them create a roadmap for the future.	L-2Discussion on current affairs (5, mins), PPT assisted lecture understanding and designing an action plan (20 mins), detailed discussion on SWOT analysis (30 minutes). L-3 Discussion on current affairs (5, mins), PPT-assisted lecture on the importance of self-evaluation (20 mins), detailed discussion on SMART goals (30 minutes).	SWOT- goal-oriented, analysis based on personality,
Week 4	Lecture 4				Presentation - Individual			
Week 5	Lecture 5	Communication Skills (introduction to communication skills, verbal communication, non-verbal communication, para-verbal communication, barriers to effective communication, techniques to overcome the barrier to communication, tips to improve communication, how to strike a social conversation, introduction to e-portfolio)	R-1 R-2 R-3 R-4	RW-1 RW-2 RW-3 RW-4 RW-6 RW-7 RW-8	The trainer will discuss various communication barriers and will explain different types of communication - verbal, non-verbal, and para-verbal communication. The trainer will also explain the importance of active listening and speaking effectively throughout the presentation. The trainer will discuss the art of striking a social conversation.	Students will learn communication skills that will allow them to express their thoughts, ideas, and emotions clearly and effectively. This will help them develop skills to strike up a social conversation.	L-5 Discussion on current affairs (5 mins), PPT assisted lecture on the importance of verbal, non-verbal and para-verbal communication (15 mins), detailed discussion of barriers to communication with examples (20 mins), techniques and tips to improve communication, and how to strike up a social conversation(15 minutes)	Simulating communication environment in class. Example: At a networking event, you approach someone and ask them an open-ended question about their work.
Week 6	Lecture 6				Presentation - Group			

		SPILL OVER						
Week 7	Lecture 7				Spill Over			
		MID-TERM						
Week 8	Lecture 8	Group Discussion (introduction to group discussion, types of group discussion topics, dos and don'ts of a group discussion, idea generation techniques- SPELT, KWA, brainstorming, POPBEANS, VAP, mock group discussion)	R-1 R-2 R-3 R-4	RW-10 RW-11 RW-12 RW-14	The trainer will introduce group discussion, types of group discussion topics and the difference between group discussion and debate to the students. The trainer will also brief the students about the significance of group discussion, the dos and don'ts of group discussions and idea generation techniques- Keyword Analysis (KWA), POPBEANS, SPELT technique, and VAP technique.	Students will learn to differentiate between group discussion and debate. The students will also learn different types of group discussion topics. They will learn to implement different types of idea generation techniques- Keyword Analysis (KWA), POPBEANS, SPELT technique, and VAP technique.	L8- Discussion on current affairs (5 mins), discussion on idea generation techniques and do's and don'ts of group discussion (40 mins), mock practice, and discussion on types of group discussion (10 mins).	
Week 9	Lecture 9				Group Discussion			
Week 10	Lecture 10	Personal branding (introduction to self-branding, types of self-branding, offline branding (CV building- overview about the elements of creating an effective CV), online branding (GitHub, LinkedIn, overview of video CV as per the industry practices), understanding the process of skill mapping as per job roles)	R-1 R-2 R-3 R-4	RW-5	The trainer will discuss and introduce the concept of self-branding in class and guide them on it (GitHub, LinkedIn). Additionally, explanation and discussion on video CV. How to create an industry-ready CV in line with the JD (job description). The student will be taught various CV building tools further outlining the significance of responsibilities and skills of the student.	Students will be able to do their self-branding and access a variety of platforms for doing so. students will also learn how to draft a resume to the specifications of different employment positions and businesses.	L10- Discussion on current affairs (5mins), discussion of the concept of self-branding (GitHub, LinkedIn), explanation and discussion on crafting a compelling video CV (15mins), a demo of video CV (15 mins). demo of a sample CV to be shown in class along with an explanation for the content placement and content building. (20mins)	

Week 11	Lecture 11	Interaction skills(self- introductory conversation, developing critical thinking for academic discovery, navigating interview formats with interactive techniques (basics questions- introducing oneself, professional goals, justifying strengths, etc.), building trust: the power of face-to- face meetings, small talk for networking, interactive role plays)	R-1 R-2 R-3 R-4	RW-4 RW-7 RW-8 RW-9	The trainer will equip students with the essential skills to confidently navigate professional interactions. The trainer will help craft a strong personal presentation and understanding of different interaction formats. It will emphasize the importance of creating a positive first impression through effective communication and interpersonal skills. The trainer will equip students with effective strategies for crafting compelling responses, building rapport, and understanding the significance of	Students will also develop strategies for managing interactions in both traditional and virtual settings, including understanding the nuances of online communication. Students will also develop strategies for managing interactions in both traditional and virtual settings, including understanding the nuances of online communication.	L:12 Discussion on current affairs (10 mins), self- introductory conversation (20 mins), developing critical thinking for academic discovery (10 mins). navigating interview formats with interactive techniques (basics questions- introducing oneself, professional goals, justifying strengths, etc.) (20mins) L:13 Discussion on current affairs (5 mins), interview answering techniques, interview etiquette for online interviews (20 mins) understanding the importance of KYC and face-to- face interviews.

Scheme for CA:

CA Category of this Course Code is:A0404 (4 out of 4)

Component	Weightage (%)	Mapped CO(s)
Interview	25	CO5, CO6
Presentation - Group	25	CO3

An instruction plan is only a tentative plan. The teacher may make some changes in his/her teaching plan. The students are advised to use syllabus for preparation of all examinations. The students are expected to keep themselves updated on the contemporary issues related to the course. Upto 20% of the questions in any examination/Academic tasks can be asked from such issues even if not explicitly mentioned in the instruction plan.

Group Discussion	25	CO4
Presentation - Individual	25	CO1, CO2

Details of Academic Task(s)

Academic Task	Objective	Detail of Academic Task	Nature of Academic Task (group/individuals)	Academic Task Mode	Marks	Allotment / submission Week
Group Discussion	To help students their enhance group discussion skills	The trainer will assemble a group of ten students and assign them a topic for discussion. After providing the topic, the trainer will allow the students two minutes to gather their thoughts. Subsequently, the discussion will commence, and the students will have a total of ten minutes to engage in the discussion on the given topic. The parameters for assessment: Understanding of the topic and Content Presentation (10), Language 10), Usage of GD vocab (5) GD etiquette (5)	Group	Offline	25	8 / 9
Interview	to assess interaction skills is to evaluate a candidate's ability to effectively communicate	Each student will be called individually by the trainer for their interview assessment. During this one-on-one interview, the trainer will ask a series of interview questions. Each interview is expected to last for a minimum of 10 minutes. Evaluation parameters- Comprehending the Questions and formulating answers (10), Justification of answers (5) CV (5), Grooming (5), Language Proficiency (5)	Individual	Offline	25	13 / 14
Presentation - Group	To assess social skills, language proficiency and fluency in everyday communication.	This activity involves a group task where students will be divided into groups of six members. Each group will receive topics related to social and workplace communication, Tech related topics. They will have two minutes to ponder and gather their thoughts on the given topics. Subsequently, the students will engage in a discussion for a minimum of six minutes to explore and exchange ideas on the assigned subjects. Evaluation would be done on Organization of content (10), Language proficiency (10), Team dynamics (5), Grooming (5)	Group	Offline	25	5 / 6
Presentation - Individual	To help students to develop a deeper understanding of their own abilities. Knowledge about the goal of student which will help them create a roadmap for future.	Students are required to give an individual oral presentation on the topic of their goal. Each student will have a two-minute time slot to present their insights on the subject. The parameters of evaluation are -Organization of Content (10), Language Proficiency (10), Body language (5), Grooming (5)	Individual	Offline	25	3 / 4

List of suggested topics for term paper[at least 15] (Student to spend about 15 hrs on any one specified term paper)

Sr. No.	Topic
1	NA

Plan for Tutorial: (Please do not use these time slots for syllabus coverage)

Tutorial No.	Lecture Topic	Type of pedagogical tool(s) planned (case analysis,problem solving test,role play,business game etc)
Tutorial1	Discussion on current affairs (5 mins) activity on vision board creation and presentations (40 mins), feedback (15mins).Trainer to refer tutorial sheet 1 for the activity.	white board
Tutorial2	Discussion on current affairs (5 mins) activity on vision board creation and presentations (40 mins), feedback (15mins).Trainer to refer tutorial sheet 1 for the activity.	white board
Tutorial3	Discussion on current affairs (5 mins) activity on SWOC analysis and presentations(40 mins), feedback (15mins). Trainer to refer tutorial sheet 3 for the activity.	Presentations
Tutorial4	Discussion on current affairs (5 mins) activity on SWOC analysis and presentations(40 mins), feedback (15mins). Trainer to refer tutorial sheet 3 for the activity.	Presentations
Tutorial5	Discussion on current affairs (5 mins) activity on SMART goal sheet and presentations(40 mins), feedback (15mins). Trainer to refer tutorial sheet 5 for the activity.	Presentations
Tutorial6	Discussion on current affairs (5 mins) activity on SMART goal sheet and presentations(40 mins), feedback (15mins). Trainer to refer tutorial sheet 5 for the activity.	Presentations
Tutorial7	Academic task 1	Presentation Individual
Tutorial8	Academic task 1	Presentation Individual
Tutorial9	Discussion on current affairs (5 mins) activity on oral presentations for daily life based topics (40 mins), feedback (15mins). Trainer to refer tutorial sheet 9 for the activity.	Oral presentations
Tutorial10	Discussion on current affairs (5 mins) activity on oral presentations for daily life based topics (40 mins), feedback (15mins). Trainer to refer tutorial sheet 9 for the activity.	Oral presentations
Tutorial11	Academic task 2	Group Presentations
Tutorial12	Academic task 2	Group Presentations
Tutorial13	Spill over	Lecture, PPTs, videos, white board

An instruction plan is only a tentative plan. The teacher may make some changes in his/her teaching plan. The students are advised to use syllabus for preparation of all examinations. The students are expected to keep themselves updated on the contemporary issues related to the course. Upto 20% of the questions in any examination/Academic tasks can be asked from such issues even if not explicitly mentioned in the instruction plan.

Tutorial14	Spill over	Lecture, PPTs, videos, white board
After Mid-Term		
Tutorial15	Discussion on current affairs (5 mins) mock group discussion (40 mins), feedback (15mins). Trainer to refer tutorial sheet 15 for the activity.	Mock group discussions
Tutorial16	Discussion on current affairs (5 mins) mock group discussion (40 mins), feedback (15mins). Trainer to refer tutorial sheet 15 for the activity.	Mock group discussions
Tutorial17	Academic task 3	Group Discussions
Tutorial18	Academic task 3	Group Discussions
Tutorial19	Discussion on current affairs (5 mins) Activity on Personal branding planning via CV designing (40 mins), feedback (15mins). Trainer to refer tutorial sheet 19 for the activity.	BYOD activity
Tutorial20	Discussion on current affairs (5 mins) Activity on online personal branding planning and LinkedIn profile creation (40 mins), feedback (15mins). Trainer to refer tutorial sheet LinkedIn module for the activity.	BYOD activity
Tutorial21	Discussion on current affairs (5 mins) role plays on interaction skills (40 mins), feedback (15mins). Trainer to refer tutorial sheet 21 for the activity.	Role Playing
Tutorial22	Discussion on current affairs (5 mins) role plays on interaction skills (40 mins), feedback (15mins). Trainer to refer tutorial sheet 21 for the activity.	Role Playing
Tutorial23	Discussion on current affairs (5 mins) role plays on interaction skills in professional environment (40 mins), feedback (15mins). Trainer to refer tutorial sheet 23 for the activity.	Role Playing
Tutorial24	Discussion on current affairs (5 mins) role plays on interaction skills in professional environment (40 mins), feedback (15mins). Trainer to refer tutorial sheet 23 for the activity.	Role Playing
Tutorial25	Academic task 4	Mock Interactions
Tutorial26	Academic task 4	Mock Interactions
